

EMSA AIMS OS CLASSIFICATION GUIDELINES

In addition to the OS Aims User Agreement, the District requires that clubs shall be held responsible for all data input, and shall be billed accordingly.

The District is NOT responsible for data input errors, if your club has accidentally registered a team/player into the incorrect OS Classification (under Program) or Player Classification (under team) it is the clubs responsibility to notify EMSA immediately.

In order to assist your club with knowledge of correct **OUTDOOR** Classifications, please review the below.
