

Team Official Registration Process

Please find attached a “Team Official Registration Form” that EMSA will require for any Grassroots (U4-U12) and Youth (U13-U18) teams.

A “Coach Code of Conduct” is attached for your coaches to sign; EMSA does not require a copy of the Coach Code of Conduct.

The “Team Official Registration Form” is a fillable form and should be returned via **email to EMSA (emsada@rogers.com)** completed in type format by the club and team manager.

STEPS:

- The club completes all information required in “Section1” prior to emailing to teams. Team manager may not be aware of all the pertinent information (ie: club #, team name and team number all from AIMS).
- The team manager will complete “Section 2”.
- The Club Executive will validate the information provided by the Team Manager is accurate by signing “Section 3”.
